SUBWAY sponsor local swimmers

THE SUBWAY® sandwich chain has announced a sponsorship with the Seagulls, Christchurch and New Milton's competitive swimming club.

The partnership will see local SUBWAY® store owners' Martin Graves at Christchurch and Jonathan Kempsey at New Milton, lending their support to the swimming club by providing monthly 'swimmer of the month' awards and prizes.

The club holds regular club meetings and events at 2 Riversmeet Leisure Centre Christchurch and New Milton Health & Leisure Centre.

Commenting on the new sponsorship, SUBWAY® Graves said: "SUBWAY® Christchurch and New Milton are proud to be supporting the Seagulls Swimming Club and helping the team members and club organizers develop their young swimmers.

"It's a real pleasure to be involved with local community in this way and give the team members the recognition they deserve for their input and dedication to the Seagulls team".
